INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. §§ 1.56 & 1.97

Sir:

In accordance with the duty of disclosure imposed by 37 C.F.R. § 1.56, Applicant hereby directs the Examiner's attention to the references listed on the attached form PTO-1449 submitted pursuant to 37 C.F.R. §1.97, which the Examiner may consider material to the examination of the above-referenced U.S. patent application. Applicant respectfully requests that the Examiner consider the foregoing references and evidence such consideration by making notations as appropriate on the attached form.

The source and/or publication dates could not identified for all disclosed references after reasonable inquiry. However, the Applicant respectfully requests that the Examiner consider all of the references indicated on form PTO-1449 in examination of this application. These particular references are listed at the end of PTO-1449.

Identification of the listed references does not represent that a search has been made and is not to be construed as an admission by Applicant or its Attorneys that such references are material or available as "prior art" against the subject application.

This Information Disclosure Statement is being filed before the mailing of a first office action on the merits. Accordingly, no fee is believed to be due under 37 C.F.R. §1.97(b)(3). Should any fees be required in connection with this submission, however, please charge all such fees to our Deposit Account No. 50-0310.

Please direct any inquiry to Frank J. Spanitz at (212) 309-6375.

Respectfully submitted,

Morgan, Lewis & Bockius LLP
